Subject Index

A

Acquired immune deficiency syndrome
  Ocular Syphilis, 203
  Systemic Antiviral Drugs Used in Ophthalmology, 19
  Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Acute retinal necrosis
  Systemic Antiviral Drugs Used in Ophthalmology, 19
  Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Acyclovir
  Systemic Antiviral Drugs Used in Ophthalmology, 19
After (secondary) cataract
  Posterior Capsule Opacification, 73
Afterimages
  Aicardi Syndrome: More Than Meets the Eye, 419
  Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
  Wegener's Granulomatosis Presenting with Sclerokeratitis Diagnosed by Antineutrophil Cytoplasmic Autoantibodies (ANCA), 373
Aicardi syndrome
  Aicardi Syndrome: More Than Meets the Eye, 419
AION
  Peripapillary Hemorrhage, 362
Alpha-adrenergic antagonist
  Current Concepts in Pigmentary Glaucoma, 233
Amaurosis fugax
  Sudden Visual Loss with Slow Recovery, 57
Anaplastic astrocytoma
  Peripapillary Hemorrhage, 362
Anticoagulant system
  The Role of Abnormalities in the Anticoagulant and Fibrinolytic Systems in Retinal Vascular Occlusions, 283
Antiglaucoma drugs
  Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435
Antiglaucoma medications
  Initial Treatment of Glaucoma: Surgery or Medications. I. Filtration Surgery. II. Medical Therapy. III. Editorial. Chop or Drop? 293
Antineutrophil cytoplasmic autoantibodies
  Wegener's Granulomatosis Presenting with Sclerokeratitis Diagnosed by Antineutrophil Cytoplasmic Autoantibodies (ANCA), 373
Antiviral drugs
  Systemic Antiviral Drugs Used in Ophthalmology, 19
Automated perimetry
  Threshold Variation in Automated Perimetry, 353

B

Big blind spot syndrome
  Central Retinal Vein Occlusion in Young Adults, 393
Book Reviews
  Allergy and Immunology of the Eye, 465
  Biochemistry of the Eye, 310
  Color Atlas of Ophthalmic Surgery, Corneal and Refractive Surgery, 464
  Glaucoma Surgical Techniques, 143
  Neuro-ophthalmology, second edition, 310
  Noninvasive Diagnostic Techniques in Ophthalmology, 143
  The Surgical Rehabilitation of Vision, 463
Blood flow
  Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435
Bloodflow measurements
  Magnetic Resonance Angiography of Vascular Lesions Causing Neuro-opthalmic Deficits, 425
Breast cancer
  Familial Malignant Melanoma of the Uvea and p53: A Victorian Detective Story, 457
Burkitt's lymphoma
  Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
  Multiple Cranial Neuropathies with Systemic Lymphoma: 10-Month Follow-up, 229

C

Cancer associated retinopathy
  Hemeralopia in an Older Adult, 185
Capsulorhexis
  Posterior Capsule Opacification, 73
Carotid artery disease
  Sudden Visual Loss with Slow Recovery, 57
Cataract surgery
  Fuchs' Heterochromic Uveitis: An Update, 253

Posterior Capsule Opacification, 73
Central retinal vein occlusion
Central Retinal Vein Occlusion in Young Adults, 393
Central venous pressure
Fundus Hemorrhages in Infancy, 1
Cerebral angiography
Magnetic Resonance Angiography of Vascular Lesions Causing Neuro-opthalmic Deficits, 425
Child abuse
Fundus Hemorrhages in Infancy, 1
Clinical Challenges
Disc Swelling: A Tall Tail? 130
Hemeralopia in an Older Adult, 185
Optic Disc Pallor: A False Localizing Sign, 273
Peripapillary Hemorrhage, 362
Sudden Visual Loss with Slow Recovery, 57
Clinical Pathological Review
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377
Elevated Intraocular Pressure, Pigment Dispersion and Dark Hypopyon in, Endogenous Endophthalmitis from *Listeria monocytogenes*, 117
Cone dysfunction
Optic Disc Pallor: A False Localizing Sign, 273
Conjunctival absorption
Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435
Conjunctival melanoma
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377
Conjunctivitis
Systemic Antiviral Drugs Used in Ophthalmology, 19
Corticosteroids
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Cranial neuropathy
Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
Multiple Cranial Neuropathies with Systemic Lymphoma: 10-Month Follow-up, 229
Crystalline lens
Posterior Capsule Opacification, 73
Current Ophthalmology
Botulinum-induced Alteration of Nerve-Muscle Interactions in the Human Orbicularis Oculi Following Treatment for Blepharospasm, 147
A Comparison of Silver Nitrate with Erythromycin for Prophylaxis Against Ophthalmia Neonatorum, 389
Delayed Choroidal Perfusion in Giant Cell Arteritis, 147
Dyslexia: Ophthalmologic Aspects, 1991, 70
Effect of Anticholinergic Agents upon Acquired Nystagmus: A Double-blind Study of Trihexyphenidyl and Tridihexethyl Chloride, 71
Fatty Layer of the Precorneal Film in the Office Eye Syndrome, 146
Frequent Involvement of the Optic Radiations in Patients with Acute Isolated Optic Neuritis, 387
Irradiation Cataract in Children After Bone Marrow Transplantation, 391
Phototherapy of Posterior Uveal Melanomas, 389
A Quantitative Study of the Prenatal Development of the Aqueous Outflow System in the Human Eye, 145
Specular Microscopy Studies on the Corneal Endothelium After Cessation of Contact Lens Wear, 390
Survey of the Contamination of Eyedrops of Hospital Inpatients and Recommendations for the Changing of Current Practice in Eyedrop Dispensing, 69
Symptomatic Retrochiasmal Lesions in Multiple Sclerosis: Clinical Features, Visual Evoked Potentials, and Magnetic Resonance Imaging, 387
Cutaneous melanoma
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377
Cyclitis
Fuchs' Heterochromic Uveitis: An Update, 253
Cytomegalovirus
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313

D

Dark hypopyon
Elevated Intraocular Pressure, Pigment Dispersion and Dark Hypopyon in, Endogenous Endophthalmitis from Listeria monocytogenes, 117
Diabetic retinopathy
Vitrectomy in the Management of Diabetic Eye Disease, 190
Diagnostic and Surgical Techniques
Magnetic Resonance Angiography of Vascular Lesions Causing Neuro-opthalmic Deficits, 425
Threshold Variation in Automated Perimetry, 353
Vitrectomy in the Management of Diabetic Eye Disease, 190
Differential light threshold
Threshold Variation in Automated Perimetry, 353
Drug delivery
Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435
Drug toxicity
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Drusen
Peripapillary Hemorrhage, 362
Dysplastic nevus syndrome
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377

E

Embolic material
Sudden Visual Loss with Slow Recovery, 57
Endarterectomy
Sudden Visual Loss with Slow Recovery, 57
Endogenous endophthalmitis
Elevated Intraocular Pressure, Pigment Dispersion and Dark Hypopyon in, Endogenous Endophthalmitis from Listeria monocytogenes, 117
Ependymoma
Disc Swelling: A Tall Tail? 130
Epstein-Barr virus
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Etymology
Ophthalmic Etymology, 306
Eyedrops
Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435

F

False localizing signs
Peripapillary Hemorrhage, 362
Fibrinolytic system
The Role of Abnormalities in the Anticoagulant and Fibrinolytic Systems in Retinal Vascular Occlusions, 283
Fibrovascular proliferation
Vitrectomy in the Management of Diabetic Eye Disease, 190
Filtration surgery
Initial Treatment of Glaucoma: Surgery or Medications. I. Filtration Surgery. II. Medical Therapy. III. Editorial. Chop or Drop? 293

Follow-Up
Multiple Cranial Neuropathies with Systemic Lymphoma: 10-Month Follow-up, 229
Foscarnet
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and their Retinal and Choroidal Manifestations, 313
Fuchs' heterochromic cyclitis
Fuchs' Heterochromic Uveitis: An Update, 253

G

Ganciclovir
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and their Retinal and Choroidal Manifestations, 313
Glaucoma
Central Retinal Vein Occlusion in Young Adults, 393
Current Concepts in Pigmentary Glaucoma, 233
Fuchs' Heterochromic Uveitis: An Update, 253
Initial Treatment of Glaucoma: Surgery or Medications. I. Filtration Surgery. II. Medical Therapy. III. Editorial. Chop or Drop? 293
Threshold Variation in Automated Perimetry, 353
Goldmann, Hans
Remembrance of Hans Goldmann, 1899–1991, 137

H

Hemeralopia
Hemeralopia in an Older Adult, 185
Hemostatic mechanisms
The Role of Abnormalities in the Anticoagulant and Fibrinolytic Systems in Retinal Vascular Occlusions, 283
Hereditary disorders
Aicardi Syndrome: More Than Meets the Eye, 419
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377
Familial Malignant Melanoma of the Uvea and p53: A Victorian Detective Story, 457
Herpes viruses
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Hirschberg-Elschnig pearls
Posterior Capsule Opacification, 73
History of Ophthalmology
Familial Malignant Melanoma of the Uvea and p53: A Victorian Detective Story, 457
From Von Graefe's Clinic to the Ecole des Beaux-Arts. The Meteoric Career of Richard Liebreich, 221
Theodor Leber: A Founder of Ophthalmic Research, 63
HIV
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Hypercoagulability
Central Retinal Vein Occlusion in Young Adults, 393

I

Immunodeficiency
Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
Multiple Cranial Neuropathies with Systemic Lymphoma: 10-month Follow-up, 229
Ocular Syphilis, 203
Systemic Antiviral Drugs Used in Ophthalmology, 19
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Infantile retinal hemorrhages
Fundus Hemorrhages in Infancy, 1
Informed consent
Recognizing and Managing the Litigious Patient, 54
Inner retinal infarction
Sudden Visual Loss with Slow Recovery, 57
Intracranial hypertension motility
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Intracranial pressure
Fundus Hemorrhages in Infancy, 1
Intraocular lens
Fuchs' Heterochromic Uveitis: An Update, 253
Posterior Capsule Opacification, 73
Intraocular pressure
Current Concepts in Pigmentary Glaucoma, 233
Elevated Intraocular Pressure, Pigment Dispersion and Dark Hypopyon in, Endogenous Endophthalmitis from Listeria monocytogenes, 117
Initial Treatment of Glaucoma: Surgery or Medications. I. Filtration Surgery. II. Medical Therapy. III. Editorial. Chop or Drop? 293
Intraocular venous pressure
Fundus Hemorrhages in Infancy, 1

K

Keratitis
Systemic Antiviral Drugs Used in Ophthalmology, 19
Krunkenberg spindle
Current Concepts in Pigmentary Glaucoma, 233

L

Laser trabeculoplasty
Current Concepts in Pigmentary Glaucoma, 233
Leber, Theodor
Theodor Leber: A Founder of Ophthalmic Research, 63
Lens epithelium
Posterior Capsule Opacification, 73
Letters
Complications of NSAID Therapy in Patients with Macular Disease, 149
Readers Comment on Herpes Zoster Ophthalmicus, 150
Li-Fraumeni syndrome
Familial Malignant Melanoma of the Uvea and p53: A Victorian Detective Story, 457
Liebreich, Richard
From Von Graefe's Clinic to the Ecole des Beaux-Arts. The Meteoric Career of Richard Liebreich, 221
Listeria monocytogenes
Elevated Intraocular Pressure, Pigment Dispersion and Dark Hypopyon in, Endogenous Endophthalmitis from Listeria monocytogenes, 117
Lung cancer
Hemeralopia in an Older Adult, 185
Lymphoma
Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
Multiple Cranial Neuropathies with Systemic Lymphoma: 10-month Follow-up, 229

M

Magnetic resonance angiography
Magnetic Resonance Angiography of Vascular Lesions Causing Neuro-opthalmic Deficits, 425

Magnetic resonance imaging
Aicardi Syndrome: More Than Meets the Eye, 419
Magnetic Resonance Angiography of Vascular Lesions Causing Neuro-opthalmic Deficits, 425
Major Review
Central Retinal Vein Occlusion in Young Adults, 393
Current Concepts in Pigmentary Glaucoma, 233
Fuchs' Heterochromic Uveitis: An Update, 253
Fundus Hemorrhages in Infancy, 1
Optic Nerve Sheath Meningiomas, 167
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Posterior Capsule Opacification, 73
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Malignant melanoma
Familial Malignant Melanoma of the Uvea and p53: A Victorian Detective Story, 457
Measles
Systemic Viral Infections and Their Retinal and Choroidal Manifestations, 313
Medical vocabulary
Ophthalmic Etymology, 306
Medicine and art
From Von Graefe's Clinic to the Ecole des Beaux-Arts. The Meteoric Career of Richard Liebreich, 221
Medicolegalities
Recognizing and Managing the Litigious Patient, 54
Melanoma
Conjunctival and Uveal Melanoma in the Dysplastic Nevus Syndrome, 377
Meningioma
Optic Nerve Sheath Meningiomas, 167
Myopia
Current Concepts in Pigmentary Glaucoma, 233

N

Neovascularization
Central Retinal Vein Occlusion in Young Adults, 393
Neurosyphilis
Ocular Syphilis, 203
Non-accidental injury
Fundus Hemorrhages in Infancy, 1

O

Ocular inserts
Minimizing Systemic Absorption of Topically Administered Ophthalmic Drugs, 435
Ocular syphilis
Ocular Syphilis, 203
Ophthalmoscope
From Von Graefe's Clinic to the Ecole des Beaux-Arts. The Meteoric Career of Richard Liebreich, 221
Optic atrophy
Optic Disc Pallor: A False Localizing Sign, 273
Optic disc edema
Central Retinal Vein Occlusion in Young Adults, 393
Optic nerve hypoplasia
Aicardi Syndrome: More Than Meets the Eye, 419
Optic nerve sheath fenestration
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Optic nerve tumor
Optic Nerve Sheath Meningiomas, 167
Optic neuropathy
Optic Disc Pallor: A False Localizing Sign, 273
Optic sheath meningioma
Optic Nerve Sheath Meningiomas, 167
Organ transplantation
Multiple Cranial Neuropathies: Presenting Signs of Systemic Lymphoma, 125
Multiple Cranial Neuropathies with Systemic Lymphoma: 10-Month Follow-up, 229

P

Papilledema
Disc Swelling: A Tall Tail? 130
Pediatric Pseudotumor Cerebri (Idiopathic Intracranial Hypertension), 155
Papillophlebitis
Central Retinal Vein Occlusion in Young Adults, 393
Paraneoplastic syndrome
Hemeralopia in an Older Adult, 185
